

**ASSEMBLY BILL**

**No. 665**

---

**Introduced by Assembly Member DeSaulnier**

February 21, 2007

---

An act relating to land use.

LEGISLATIVE COUNSEL’S DIGEST

AB 665, as introduced, DeSaulnier. California Growth Management Act.

The Planning and Zoning Law requires that a general plan consist of a statement of development policies and include a diagram or diagrams and text setting forth objectives, principles, standards, and plan proposals, including, among other things, a land use element, that designates, among other things, the proposed general distribution and general location and extent of the uses of the land for housing, business, industry, open space, and other categories of public and private uses of land.

This bill would declare the Legislature’s intent to enact legislation to create the California Growth Management Act.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to create the California Growth Management Act.
